### Beleggingsdoelstelling

The Fund is managed in accordance with an active global fixed income investment process striving to draw value from the changes on global fixed income and currency markets, while remaining structurally long the G4 government bond markets (USA, UK, Euro-zone and Japan) and their currencies. The Fund aims to deliver a positive performance over its minimum recommended investment term, knowing that this performance may not be directly linked with that of a reference market index. For indicative purposes only, the Fund's...
